SALE TERMS - Cash, except when arrangements have been granted by the consignor. Settlements to be made with Minnesota Shorthorn Breeders Ass'n. immediately following the sale, but it should be understood that the said Ass'n. assumes no liability, legal or otherwise and that the guarantee and terms as published herein shall constitute a contract between the consignor and purchaser of each lot.

Cows with calves at foot are considered breeders. All other cows and heifers over sixteen months old guaranteed breeders with the same retrial privilege as bulls. The Show

At 9:00 P. M.

May 21st, 1952

J. Kenneth King, Le Sueur, Minn., Judge.

The prize money this year amounts to \$450.00, made possible by the aid of the Blue Earth Civic and Commerce Association, and a pool of money received from the consignors themselves.

We have two aims in view in putting on this competition for premium money, judged by a competent judging of cattle.

First - To show the consignors the competition value of the cattle they have consigned with others in the show, thus encouraging them to bring better cattle each year to the sale.

Second - We will sell the cattle in the ring in the same order as the judge placed them in the show ring, so that a buyer who does not feel that he himself is competent to judge which one is best, can in this way use the experience of the judge as to which one is the better.
